CONSTRUCTION MATERIALS

Extruded Plastic Pipes

Plastic pipes produced on an extrusion line. Diameter, wall thickness and length are made to the customer's specification, so the pipe matches the pressure and installation requirements of your project. Send us the required parameters and we will confirm feasibility and price for your volume.

SPECIFICATIONS

Manufacturer	Damjalaýyn Suwaryş hojalyk jemgyýeti
Production	Extrusion line
Diameter	To customer specification
Wall thickness	To customer specification
Length	To customer specification

MINIMUM ORDER
1 truckload

DELIVERY TERMS
FCA, EXW

PRICE
On request — depends on volume and specification

PLUMBING

Plastic Basin Mixer Taps

Single-lever basin mixer taps with a plastic body — lighter than brass, they do not corrode and cost noticeably less per unit, which matters on large volumes. Fitted with a cartridge for smooth temperature control and an aerator that reduces water consumption. Simple standard installation. Supplied to construction projects, retail chains and hotels.

SPECIFICATIONS

Manufacturer	Erkin Plastik hususy kärhanasy
Body material	Plastic
Type	Single-lever, for washbasin
Aerator	Water-saving
Colour	White
Installation	Standard single-hole

HOUSEHOLD CHEMICALS

Liquid Laundry Detergent with Conditioner (LUNA)

Universal liquid laundry detergent with a built-in conditioner — washing and softening in one product, so the buyer does not need to stock two items. Suitable for automatic machines and hand washing. Supplied in 5 kg pouches, 4 pcs per box, in five fragrances: Lilyum, Mountain Freeze, Lavanda, Orkide, Supreme.

SPECIFICATIONS

Manufacturer	Damjalaýyn Suwaryş hojalyk jemgyýeti
Brand	LUNA (Dury Aý)
Packaging	5 kg pouch
Units per box	4 pcs
Type	Detergent + conditioner in one
Use	Automatic machines and hand wash
