HDPE Screw Caps for PET Bottles

Screw caps for PET bottles, made in Turkmenistan from HDPE by injection moulding. Four models: two 18.81 mm caps for 0.3–2 L bottles, a 29.15 mm cap and a 32 mm cap for 0.3–0.5 L bottles. The raw material does not change the smell, colour or taste of the drink. Eight colours; the customer's logo can be moulded on request. They fit the PET preforms from the same producer.
